Medications will be administered pursuant to the written order of an authorized prescriber and the written consent of the parent or guardian.

Medications in the schools will be administered by a licensed nurse (RN or LPN) or in the absence of a nurse, the following school personnel, who have been properly trained by a school nurse or school medical advisor, may administer medications:

- Principals and teachers;
- Licensed physical therapists (PT) or occupational therapists (OT) employed by the school district;
- Directors or director's designees for school readiness programs and before-and after-school programs;
- Paraprofessionals, in the case of a specific student with a medically diagnosed allergic condition that may require prompt treatment with an epinephrine cartridge injector and/or inhalant medication to protect the student against serious harm or death;
- Coaches and licensed athletic trainers, during practices, games, and athletic activities, for students who are prescribed inhalant medications to treat respiratory conditions or students prescribed epinephrine cartridge injectors for a medically diagnosed allergic condition which may require prompt treatment to protect the student against serious harm or death;

**ADMINISTRATION OF MEDICATION IN THE SCHOOLS**

**5514**

The nurse must examine on-site any new medication, medication order and parental permission form and develop a medication administration plan for the student before any medication is given. If a school nurse determines any medication administration plan should be re-evaluated, the parent/guardian and authorized prescriber shall be notified immediately by the school nurse. In addition, the nurse may consult with the nursing supervisor and the school medical advisor as needed. In accordance with standard nursing practice, the school nurse may refuse to administer or allow school personnel to administer any prescription medication which, based on her/his individual assessment and professional judgment, has the potential to be harmful, dangerous, or inappropriate. In such cases a parent has the right to come to the school and administer the medication himself/herself.

The time or place where a student with diabetes may test his/her blood-glucose level on school grounds shall not be restricted provided the student has written parental/guardian permission and a written order from a physician stating that such child is capable of conducting self-testing on school grounds.

## **SECTION 10: MEETINGS**

### **Electronic Mail Communications**

The Board of Education believes that Board members electronically connected to other Board members is an efficient and convenient way to communicate. The main goal of electronic mail (e-mail) is to expedite the passage of information. E-mail gives Board members quick access to one another. Communication among Board members via e-mail should conform to the same standards as other forms of communication (i.e., committee meetings, etc.) as directed by the Freedom of Information Act. When used properly, e-mail is an effective communications tool and can provide a formal record.

### **Guidelines for Board E-Mail Usage**

The Freedom of Information Act mandates that all meetings of public bodies, such as school Boards, be open to the public. It is the policy of the Board of Education that e-mail shall not be used in such a manner as to deprive the public of the rights given to it under the Freedom of Information Act. For this purpose, this By-Law sets forth guidelines for the uses intended to be made of e-mail by Board members when communicating with other Board members.

1. E-mail, like other written forms of communication relating to the conduct of the public business, is subject to the Freedom of Information Act and subject to disclosure.
2. Board members shall not use e-mail as a substitute for deliberations at public Board meetings and/or shall not discuss policy matters or vote informally on any issues.
3. E-mail should be used to pass along factual information.
4. Security of e-mail communication cannot be assured. Board members shall not reveal their passwords to others in the network or to anyone outside of it. If any Board member has reason to believe a password has been lost or stolen or that e-mail is being accessed by someone without authorization, he/she shall notify the Superintendent, who will notify the district's technology specialist.
5. Personnel issues and other sensitive subjects should never be discussed on-line. The confidentiality of employee data, student data, and other sensitive subjects must always be maintained.

Any usage contrary to the aforementioned shall be reported immediately to the Superintendent and may result in the suspension and/or revocation of system access.

### **Accessing E-Mail**

In an effort to encourage all Board members to access e-mail while maintaining public fiscal responsibility, the Board of Education will loan to any Board member needing access, a computer (when surplus is available), and other hardware peripherals to be returned to the Board office upon leaving office. It will be the individual Board member's responsibility to provide the hook-up and pay all consumable expenses associated with e-mail usage. In the event a Board member elects not to access e-mail, a hard copy of all e-mail directed to "Board" will be placed in the Board packet delivered via courier, and will also be accessible in the Board of Education Office.

### **ARTICLE VI – AMENDMENTS (8600)**

The By-Laws may be amended by the affirmative vote of 2/3<sup>rds</sup> of the entire membership of the Board, at any Regular or Special Meeting of the Board, provided that a copy of the proposed amendment shall have been included in the call for such meeting.

### **ARTICLE VII –CODE OF ETHICS (8700)**

The Code of Ethics is based upon "Standards of Leadership for Members of Boards of Education" recommended by the CABE Board of Directors.

1. I will be a staunch advocate of high quality free public education for all Connecticut children. In fulfilling my responsibilities, I will think of "children first."
2. I will, as an agent of the state, uphold and enforce all laws, rules, regulations and court orders pertaining to public schools.
3. I will strive to bring any needed change only through legal and ethical procedures. I will strive to help create public schools which meet the individual educational needs of all children regardless of their ability, race, creed, sex or social standing.
4. I will work unremittingly to help my community understand the importance of proper support for public education, whether it be in providing adequate finance, optimum facilities, staffing and resources, or better educational programs for children.

5. I will join with my Board, staff, community and students in becoming fully informed about the nature, value and direction of contemporary education in our society. I will support needed change in our schools.
6. I will strive to ensure that the community is fully and accurately informed about our schools and will try to interpret community aspirations to the school staff.
7. I will recognize that my responsibility is not to "run the schools" through administration, but together with my fellow Board members, to see that they are well-run through effective policies.
8. I will attempt to confine my Board action to policy-making, planning and appraisal, and will help to frame policies and plans only after my Board has consulted those who will be affected by its actions.
9. I will arrive at conclusions only after discussing all aspects of the issue at hand with my fellow Board members in meeting. I will respect the opinions of others and abide by the principle of majority-rule.
10. I will recognize that authority rests only with the whole Board assembled in meeting and will make no personal promises nor take any private action which may compromise the Board.
11. I will acknowledge that the Board represents the entire school community, and will refuse to surrender my independent judgment to special interest or partisan political groups. I will never use my position on the Board for the gain of myself or my friends.
12. I will hold confidential all matters pertaining to schools which, if disclosed, might needlessly injure individuals or the schools.
13. I will insist that all school business transactions be open and ethical.
14. I will strive to appoint the best professional leader available when a vacancy exists in the chief administrative position.
15. I will strive to appoint the best trained technical and professional personnel available, upon recommendation by the appropriate administrative officer.
16. I will support and protect school personnel in the proper performance of their duties. I will strive to ensure that all personnel have not only the requisite responsibilities, but the necessary authority to perform effectively.
17. I will refer all complaints through the proper "chain of command" within the system, and will act on such complaints at public meetings only when administrative solutions fail.
