SCHOOL VOLUNTEERS / RESOURCE PERSONS

1212

The Board of Education encourages the use of volunteers or resource persons to: (1) increase students' educational attainment, (2) provide enrichment experiences for students, (3) increase the effective utilization of staff time and skills, (4) give more individual attention to students, and (5) promote greater community involvement.

The Superintendent shall establish procedures for securing and screening volunteers and resource persons. No person who is a "sex offender," as defined by Public Act 98-111, An Act Concerning the Registration of Sexual Offenders, shall be retained as a volunteer. For the purpose of this policy, volunteers are defined as those individuals who volunteer their time to assist in schools while resource persons are those who are not employees but receive compensation in the form of a payment or an honorarium for services rendered (e.g., visiting author).
