HOMEWORK

6154

The Board of Education considers homework and other out-of-class assignments to be essential parts of the educational program of the Fairfield Public Schools. Through homework and out-of-class assignments, students have an opportunity to reinforce and/or extend academic and learning skills taught in class. Homework also contributes to the students' development of such skills as working independently, organizing time, developing effective work habits, and developing self-discipline in accepting responsibilities. Parents or guardians are encouraged, through discussions with their children, to become aware of and to support the need for the student to complete homework and other out-of-class assignments.
