Dear Dr. Title:

On May 1, 2013, the Connecticut State Board of Education ("CSBE") accepted a report concerning the racial imbalance statistics for all schools in the state. This report indicates that McKinley School has impending imbalance. Pursuant to its approved plan to correct racial imbalance at McKinley School, the Fairfield Board of Education has taken various actions to encourage more diversity throughout the district. I appreciate your efforts in amending your district's plan. The Department of Education will continue to monitor the statistics for your district.

If you have any questions, please do not hesitate to contact me at 860-713-6512.

Sincerely,
