

Directions for incoming AP Statistics Students:

The Summer Packet Materials include the following:

1. “Success as an AP Student” document
2. Student Directions to access the textbook online
3. The Learning Objectives for Chapter 1
4. The Web Notes for Chapter 1
5. The Model Student Notes for Chapter 1
6. The authors Power Point Presentations (1.1, 1.2 and 1.3)
7. The Homework Problem Set for Chapter 1

Expectation:

All incoming AP Statistics students will:

- **Read** Chapter 1 thoroughly (probably more than a few times).
- **Take notes** on Chapter 1 using the Model Student Notes and the Power Point Presentations as resources in addition to the textbook.
- **Attempt all** Homework Problem Set questions.
- **Be prepared to discuss** all topics from Chapter 1 in class.
- **Be prepared for assessments** on Chapter 1 as early as the second session of class.
