BYOD! Bring Your Own Device and discover all the digital resources that are available to you through the Fairfield Public Schools and the Fairfield Public Library. Enjoy a short presentation from one of our star library media specialists and public librarians to give you an overview of the materials you can access and then time for you to explore on your own device.

This program is intended for all elementary Fairfield Public School students and their families. This is a drop-in program. If you think you have a library card but are not sure, please call 203-256-3161 or email childrens-library@fplct.org to verify.

A valid Fairfield Public Library Card is required to access our digital collection. Library cards are easy to obtain with proof of Fairfield residency at either the Main or Woods libraries.

All programs are free and open to the public. For more information: fairfieldpubliclibrary.org, or call 203-256-3161.
