## Student recording sheet for Fill the Machine

Names \_\_\_\_\_ Date \_\_\_\_\_

Write your division problem below:

- Record your roll in the chart below. Then put a checkmark in the column that shows what your move was for that turn.

I rolled	Roll $\times$ divisor	Divisor $\times$ 10	Roll $\times$ divisor $\times$ 10

- Use the space below to keep track of your dividend as you fill the grid further.
