SCHOOL CENSUS

5116

In accordance with Connecticut General Statutes, the Board of Education shall annually determine by age the number of children of compulsory school age who reside within the jurisdiction of the school district as of January 1st of each year. Such determination shall be made by any reasonable means of accounting approved by the Commissioner of Education.

The Superintendent or designee shall present to the Board a copy of such data.

These census figures and projections from the Town Planning and Zoning Commission shall be the basis for school planning.
