## COURSE DESCRIPTION

---

The French 31 course, a two semester two credit - course, meets daily and is conducted primarily in French. It is an intermediate course in which students will continue to develop their reading, writing, listening and speaking skills acquired through the study of new grammatical structures, vocabulary and idioms within the context of a specific theme. Students will also be exposed to a variety of supplementary materials such as music, film and internet websites to improve their communication skills and cultural awareness.

## COURSE OBJECTIVES

---

Students will:

- interpret notes, invitations and letters.
- create short and simple conversational style sentences in the past.
- interact in a variety of social situations.
- identify the main ideas and some details of auditory selections based on familiar topics and memorized vocabulary.
