COURSE DESCRIPTION

The 31 level, conducted primarily in the target language, is intended to strengthen the student's proficiency and awareness of the target culture. It is an intermediate course in which students will continue to develop their reading, writing, listening and speaking skills acquired through the study of new grammatical structures, vocabulary and idioms within the context of a specific theme. Students will also be exposed to a variety of supplementary materials such as music, film and internet websites to improve their communication skills and cultural awareness.

COURSE OBJECTIVES

Students should:

- interpret notes, invitations and letters.
- create short and simple conversational style sentences in the past.
- interact in a variety of social situations.
- identify the main ideas and some details of auditory selections based on familiar topics and memorized vocabulary.
