

Grade 3 Science Progress Report Rubric

Science	December	March	June
Demonstrates understanding of unit concepts, facts, principles and methods	<p>M: Consistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources 	<p>M: Consistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources 	<p>M: Consistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources
	<p>P: Inconsistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources 	<p>P: Inconsistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources 	<p>P: Inconsistently demonstrates understanding of one or more of the following unit concepts:</p> <ul style="list-style-type: none"> • sorting and classifying properties of matter to conduct simple investigations • adaptations of plants and animals to their environment • human impact on Earth’s resources
Observes, questions, problem solves, and communicates using content vocabulary	<p>M: Accurately predicts, observes, communicates and records when conducting simple investigations for all concepts taught this marking period.</p>	<p>M: Accurately predicts, observes, communicates and records when conducting simple investigations for all concepts taught this marking period.</p>	<p>M: Accurately predicts, observes, communicates and records when conducting simple investigations for all concepts taught this marking period.</p>
	<p>P: Shows inaccuracy when predicting, observing, communicating and recording when conducting simple investigations for all concepts taught this marking period.</p>	<p>P: Shows inaccuracy when predicting, observing, communicating and recording when conducting simple investigations for all concepts taught this marking period.</p>	<p>P: Shows inaccuracy when predicting, observing, communicating and recording when conducting simple investigations for all concepts taught this marking period.</p>
