

"LIFE AFTER HIGH SCHOOL-TRANSITION TRAINING SERIES"

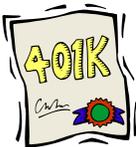

Greetings, Parents & Caregivers of Young Adults receiving special education services or have a 504 Plan

Estate & Financial Planning for Children with Special Needs Updated information on the new ABLE ACT State & Federal Legislation

Are You Prepared for or Preparing for Your Child's Future?

In these uncertain times, with traditional supports to individuals with disabilities shrinking it is vital that parents are planning appropriately for their children. The old understandings and perceived systems of support are changing radically. Parents need to be informed and educated as to their options.
