

# DON'T FORGET!

Share with **US**  
and be entered to win  
**GREAT PRIZES!**

Summer is coming to an end and for many of us that means it's time to go back to work! We hope that you have had the chance to experience some rest, relaxation and fun over the past couple months. Vacation time can help us discover our retirement dreams and motivate us to achieve our goals of building a strong nest egg. With the summertime in our rear view mirror, we ask that you share with us your vacation experiences you hope to do in retirement. Follow us on Twitter (@omni403b) or like us on Facebook (OMNI 403b) and share your pictures using the hashtag #retirementdreams.

Please get your entries in by September 30th. We will choose 3 winners shortly after the deadline to win one of several great prizes! Good luck in the contest and achieving your #retirementdreams!
