## **2016 – 2017 Weekly Pay**

---

**TO: Employees Paid Weekly**

**FROM: Sue Bielicki and Lynne Champnois, Payroll Specialists**

**SUBJECT: 2016 – 2017 WEEKLY PAYCHECKS**

**DATE: May 06, 2016**

There are 53 weeks in the 2016 – 2017 fiscal year; therefore, your salary will be paid over 53 pay periods. Since your annual salary will be divided by 53 instead of the usual 52, you may not see much of an increase in your weekly gross, despite a pay increase.

Bargaining unit employees without a contract settlement for 2016 – 2017 will be paid at their current rate and will see a slight decrease in their weekly gross pay.
