

**FAIRFIELD PUBLIC SCHOOLS**  
**Fairfield, Connecticut**

**NOTICE OF NEW POSITION**

**POSITION:**       **Teacher Leader School Psychology/Social Work**

**MINIMUM QUALIFICATIONS:**       The successful candidate will have advanced training and degrees in school psychology, neuropsychology, behavior, and/or social and emotional learning. The successful candidate will provide consultation and support to all psychologists in the district and will be asked to collaborate with building psychologists who are conducting more complex evaluations. Candidates will also conduct needs assessments in order to develop, plan, and execute professional development for school psychologists and social workers in the district. The teacher Leader for School Psychology/Social Work will report to the Director of Special Education. CT Certification as a School Psychologist (070) is required.

**WORK PERIOD:**                       Eleven month assignment. The nature of the position requires some evening commitments.

**STARTING DATE:**                     August 21, 2017

**FILING DATE:**                        July 25, 2017

Please send a letter of interest and current resume to the Human Resources Office.
