Fairfield, CT 06824
School Safety Division
Lt. Edward Weihe

Dear Parents,

Over the next couple of weeks, the Fairfield Police Department will be conducting firearms training at a shooting range in the Hoyden's Hill Rd. area. Gunshots may be heard intermittently throughout the day between the hours of 8:00(am) and 4:00(pm). The shots have been reported to be audible from as far away as the intersection of Fairfield Woods Rd. and Stratfield Rd. Due to the number of officers training together, gunshots may resemble rapid fire.

While we encourage all residents to remain vigilant in observing and reporting any perceived threats in your area, we want to make sure everyone is aware of this training event to establish some context for the sounds of gunshots in these areas.

Thank You,
Lt. Eddie Weihe
